VOLUNTEERING FOR ENVIRONMENT

PETROTEL-LUKOIL Refinery (part of “LUKOIL” Group) won the first prize among the companies in the industry of refining petroleum products in Romania. The economic performance proved by the results on 2015, the innovative determination, and the investments in innovation, and the ethic business behavior have awarded it in the first position within the National Top of Companies, under the aegis of the Chamber of Trade and Industry of Romania.

At the same time, on the county level, PETROTEL-LUKOIL Refinery was still ranked in the first place in the Top of best performing companies providing products obtained from refining Oil, in Prahova County.
